

# Let's Activate Sidney!

Active Living Summit

October 14, 2015

8:30 am - 3:30 pm

Western Nebraska Community College  
Sidney Campus

**Who should attend?** This summit aims to bring all people interested in creating a more walkable, bikeable, and runnable Sidney. All members of the community are welcome, especially if you are working or engaged in the business community, hospital, churches, health, community service, city administration, police department, youth or adult services, the chamber, housing, or economic development. Whether you are a student, youth, adult, or senior, we need your wisdom in this important planning conversation. If you are looking to make Sidney a more healthy place to live, learn, work, and play, this conversation is for you.

No charge to attend. Breakfast and lunch provided.

Please register so we can plan accordingly for food and materials.
