92 Percent of Alliance Businesses Pass Recent Compliance Checks

The Nebraska State Patrol conducted checks of underage tobacco compliance as part of the Tobacco Free in the Panhandles comprehensive plan to keep youth from starting to use tobacco products. Officers with the assistance of youth under the age of 18 checked 12 convenience stores, grocery stores and liquor stores throughout the city of Alliance in June. Of the 12 businesses, 11 did not sell tobacco to the underage person.

The business that failed was:

- K-C's Short Stop, 2420 Box Butte Avenue. Third fail in three years.

The Panhandle Prevention Coalition congratulates the following businesses and employees for not selling tobacco to the underage person and encourages you to support these businesses: The Gathering Spot, Fresh Start Convenience, Git N Split, Grocery Kart, J & J Pit Stop, Kloch's Liquor, Martha's Westco, Nick's Gas and Liquor, Safeway, Sandhillers Bar, Terry's Westco and Westco Video.

"Research shows that when communities consistently conduct compliance checks and keep failure rates below 10%, children in those communities are less likely to use tobacco products," stated Tabi Prochazka, Tobacco Free in the Panhandle Coordinator.

Training for alcohol and tobacco retailers is available quarterly at locations throughout the Panhandle. This training, sponsored by Panhandle Prevention Coalition and Nebraska State Patrol, provides individuals entrusted with the responsibility of serving alcohol or selling tobacco with strategies to avoid illegally selling to underage youth or intoxicated patrons. Responsible Beverage Server Training is available for free to retail merchants, owners, and employees across the Panhandle. The next training is on September 7th. For more information on the retailer's trainings, go to www.pphd.org/tfnChecks.html.

Funding for Tobacco Free in the Panhandle is provided by the Nebraska Department of Health and Human Services/Tobacco Free Nebraska Program as a result of the Tobacco Master Settlement Agreement.
