Panhandle Public Health District Open House July 21, 3-6 pm

Panhandle Public Health District invites you to join us for an Open House on July 21 from 3-6 pm at our main office, 808 Box Butte Avenue in Hemingford.

We are excited to showcase the newly remodeled store-front and celebrate our recent national accreditation by the Public Health Accreditation Board. The health district is one of fewer than 150 health departments in the nation and the second local health department in Nebraska to achieve accreditation since PHAB launched in 2011.

Kim Engel, PPHD Health Director said, “We thank all of our partners for the continued collaborative work and support toward common goals to improve the health and safety of the Panhandle and hope you will join us to celebrate this accomplishment!”
