92 Percent of Sheridan County Businesses Pass Recent Compliance Checks

The Nebraska State Patrol conducted checks of underage tobacco retail compliance as part of the Tobacco Free in the Panhandles comprehensive plan to keep youth from starting to use tobacco products. Officers with the assistance of youth under the age of 18 checked convenience stores, grocery stores and liquor stores throughout Sheridan County in November. One of the twelve business checked sold tobacco to the underage person.

The businesses that failed was:

- Grocery Mart, 228 N Main St., Gordon NE 69343.

The Panhandle Prevention Coalition congratulates the following businesses and employees for not selling tobacco to the underage person and encourages your support: Gordon Super Foods, Highway Express 2, Lyle's Drive In, Pump and Pantry, Dollar General, Sackers, J&L Grocery, Westco, Barrel House Liquor, Ideal Market, Pump and Pantry.

"Research shows that when communities consistently conduct compliance checks and keep failure rates below 10%, children in those communities are less likely to use tobacco products," stated Tabi Prochazka, Tobacco Free in the Panhandle Coordinator with Panhandle Public Health District.

Responsible Beverage Server Training is available for free to retail merchants, owners, and employees across the Panhandle. This training, sponsored by Panhandle Prevention Coalition and Nebraska State Patrol, provides individuals entrusted with the responsibility of serving alcohol or selling tobacco with strategies to avoid illegally selling to underage youth or intoxicated patrons. For more information on the retailer's trainings, go to www.pphd.org/tfnChecks.html.

Funding for Tobacco Free in the Panhandle is provided by the Nebraska Department of Health and Human Services/Tobacco Free Nebraska Program as a result of the Tobacco Master Settlement Agreement.
