**Newly announced phase three Directed Health Measure to take effect June 22  
Nine more cases announced; Panhandle total: 218, Active: 86, Recovered: 130, Deaths: 2**

Several announcements were shared in the Governor's news conference today. Governor Ricketts announced we will move into phase three of the Directed Health Measure beginning June 22, loosening restrictions that have been in place during the COVID-19 pandemic response.

The full details for the transition of phases can be accessed at <http://pphd.org/COVID-19.html>, under resources. Changes specific to phase three can be found here: <https://tinyurl.com/yclb5wfx>.

A phasing guidance has been developed for long-term care facilities for responsibly easing restrictions in facilities while COVID-19 remains in communities across Nebraska. Facilities will work closely with health districts to complete baseline testing of their staff to identify infected persons, whether they are asymptomatic or ill, and get them into isolation. This will let people that are virus-free continue to function normally and prevent asymptomatic spread to others.

Also announced today by Nebraska Education Commissioner Matthew Blomstedt, is their expectation that schools will have in-person learning this fall. They are working on best practices found at [launchne.com](http://launchne.com).

Free drive-thru testing will be available in four Panhandle locations this week:

- **Chadron:** Wednesday from 8am-Noon: Chadron Community Hospital, 825 Centennial Drive, testing will be on the west side of the building
- **Alliance:** Thursday from 8am-Noon: Alliance Fire Department, 315 Cheyenne Ave
- **Scottsbluff:** Friday & Saturday from 8am-Noon: Panhandle Public Health District, 18 W. 16<sup>th</sup> St
- **Sidney:** Sunday from 8am-Noon: Location to Be Announced

If you are experiencing symptoms currently, do not wait for testing, call your doctor, clinic, or our 24/7 line at 308-262-5764.

COVID-19 testing is now available at Community Action Health Center Mondays, Wednesdays, and Fridays from 7a-8a. Testing is open to those that are symptomatic. Sign up today <https://tinyurl.com/Y8P6YU02>.

Unified Command confirms nine new cases in Scotts Bluff County, they are as follows:

<b>County</b>	<b>Demographics</b>	<b>Exposure Type</b>
<b>Scotts Bluff</b>	Female in her 20s	Close Contact
<b>Scotts Bluff</b>	Female in her 20s	Close Contact
<b>Scotts Bluff</b>	Female in her 30s	Close Contact
