Comunicado Inmediato

Para más información comuníquese con: Kim Engel, Directora, 308-760-2415, kengel@pphd.org

El Distrito de Salud Publica del Panhandle les desea a ustedes y a los suyos un feliz y Seguro Dia de Independencia

Se anuncian nueve casos mas: Indice total del Panhandle: 312, Activos: 111, Recuperados: 198, Fallecidos: 3

El Dia de la Independencia ha sido un dia festivo ofiial en los Estados Unidos desde que el Congreso lo declaro dia festivo federal en 1870. Los residents del Panhandle haran carne asada, iran a campar, a nadar, iran a ver los fuegos pirotecnicos, y muchas cosas mas para celebrar la independencia de nuestra nación. Con las restrinccioes disminuidas en efecto, el departamento de salud publica les pide a los residents del Panhandle que disfruten el dia festive de manerea segura y que continúen siguiendo las precauciones de seguridad para el COVID-19 al celebrar:

- Stay at least six feet away from others. Exposure is considered less than six feet for 15 minutes or more. Social distancing is one of the best prevention strategies we have against this virus.
- Wear a mask when social distancing is not possible or when in public spaces or areas.
- Frequent handwashing or sanitizing is critical.
- Monitor your symptoms and immediately call your doctor, clinic, or our 24/7 line at 308-262-5764 before going anywhere if you are experiencing any of the following: cough, fever, shortness of breath, sore throat, body chills, headache, loss of taste or smell, nausea, vomiting, or diarrhea.
- Please use extra caution if you are over 60 or have any underlying health conditions.

The National Safety Council recommends leaving the fireworks to the professionals and not using them at home due to the high risk of injury. But if fireworks are a part of your celebration, please ensure that you are following these safety measures:

- Never allow young children to handle fireworks
- Older children should use them only under close adult supervision
- Never use fireworks while impaired by drugs or alcohol
- Anyone using fireworks or standing nearby should wear protective eyewear
- Never hold lighted fireworks in your hands

- Never light them indoors
- Only use them away from people, houses, and flammable material
- Never point or throw fireworks at another person
- Only light one device at a time and maintain a safe distance after lighting
- Never ignite devices in a container
- Do not try to re-light or handle malfunctioning fireworks
- Soak both spent and unused fireworks in water for a few hours before discarding
- Keep a bucket of water nearby to fully extinguish fireworks that don't go off or in case of fire
- Never use illegal fireworks

Testing opportunities for the week of July 6:

- Chadron Community Hospital: Mondays & Fridays, 7-9am
 - Testnebraska.com
- Community Action Health Center in Gering: Mondays, Wednesdays, & Fridays, 7-8am
 - <https://tinyurl.com/y7msahzq>
