New case in Cheyenne County brings Panhandle total positives to 39

Unified Command confirms a new case for COVID-19 in Cheyenne County, a male in his 60s.

The initial investigations have begun, and more details will be released when they are complete. Close contacts will be quarantined and actively monitored twice daily for fever and respiratory symptoms by public health officials. Contacts that are currently showing symptoms will be tested.

March 2-April 21, 2020

All Panhandle residents are encouraged to Stay Home, Stay Healthy, Stay Connected. What does this mean to you?

Stay Home

- Stay home whenever possible.
- Avoid gathering in any groups.
- Do not visit or host people who do not live with you.

Stay Healthy

- Keep at least 6 feet distance from anyone you don't live with.
- Wash your hands
- Stay home if you are sick or if someone in your home is sick.

Stay Connected

- Stay in touch with friends and loved ones
- Check in on people who may be alone or need help.

Panhandle Public Health District, Region 21, 22, and 23 Emergency Management, and Scotts Bluff County Health Department are working as a unified command on this evolving situation. Essential updates will be regularly communicated to the public and community partners.
